## Available Positions

Do you want to work someplace different? Maybe you have never considered working in a nursing home before or maybe you have worked in a nursing home before but you want something different. Please see why we are not your 'typical' nursing home. For instance, do you want to work in an environment that has:

- a nurse to patient ratio that is better than the national average
- a pharmacy onsite and 3 Pharmacists (2 Geriatric Certified) who assist with medication order processing
- a triage nurse who assists with admissions
- a scheduler who takes care of all staff schedules
- medication aides who pass the medications
- a DON, ADON, MDS nurses, and a NP who support you
- competitive pay that is equal to or better than the major hospital systems in Omaha
- management staff with longevity
- electronic charting
- student loan forgiveness
